

CURACAO

A large 3D sculpture of the word "CURACAO" is the central focus, set on a paved plaza. The letters are blue with yellow outlines. The letter 'C' is uniquely designed with two white stars on its upper right curve. A man in a light blue shirt and khaki pants is standing inside the 'C', and a woman in a floral dress is standing inside the 'U'. The background shows a multi-story building, palm trees, and a clear sky.
